

# ***Buckle Up for Life!***

## **Infants**

**Use a rear-facing car seat to at least age 2 years or child outgrows the car seat.**

## **Toddlers and preschoolers**

**Use a forward-facing car seat until the harness no longer fits.**

## **School age children**

**Use a booster seat until the seat belt fits – usually when your child weighs between 80-100 pounds and is about 4' 9" tall.**

## **Teens and adults**

**Buckle up with lap and shoulder belt.**
