

Disaster Preparedness in ECCE Programs

1. What information about each child should be in your “ready to go” Emergency File?
 - a. Parent name and contact information
 - b. Names of people authorized, and those not authorized to pick up child
 - c. Allergy, medication, and medical information
 - d. Address and phone number of safe meeting place
 - e. All the above
2. Identify the location of your “safe place” in case of tornado or hurricane.
3. Where is your “safe place” (off-site location) if children must be evacuated?
4. Describe the sound of the fire alarm in your ECCE program.
5. Describe the sound of the tornado warning (or earthquake warning) in your ECCE program.
6. State the “lock-down” code for your program.
7. What disaster/emergency drills should caregivers regularly practice?
 - a. Fire drill
 - b. Lock-down
 - c. Shelter in
 - d. Evacuation
 - e. All the above
8. If possible, it is recommended that ECCE programs have supplies available to last how long?
 - a. 1 day
 - b. 2 days
 - c. 3 days
 - d. 5 days
 - e. 1 week
9. How much water is recommended per person, per day?
 - a. 1 quart
 - b. 2 quarts
 - c. 1 gallon
 - d. 2 gallons
10. Documentation of children’s sign in and sign out is required, even during an emergency situation.
 - a. True
 - b. False

 - d. Address and phone number of safe meeting place
 - e. **All the above****

2. Identify the location of your “safe place” in case of tornado or hurricane.
State answer**

3. Where is your “safe place” (off-site location) if children must be evacuated?
State answer**

4. Describe the sound of the fire alarm in your ECCE program.
State answer**

5. Describe the sound of the tornado warning (or earthquake warning) in your ECCE program.
State answer**

6. State the “lock-down” code for your program.
State answer**

7. What disaster/emergency drills should caregivers regularly practice?
 - a. Fire drill
 - b. Lock-down
 - c. Shelter in
 - d. Evacuation
 - e. **All the above****

8. If possible, it is recommended that ECCE programs have supplies available to last how long?
 - a. 1 day
 - b. 2 days
 - c. **3 days****
 - d. 5 days
 - e. 1 week

9. How much water is recommended per person, per day?
 - a. 1 quart
 - b. 2 quarts
 - c. **1 gallon****
 - d. 2 gallons

10. Documentation of children’s sign in and sign out is required, even during an emergency situation.
 - a. **True****
 - b. False

Training Evaluation

Why did you attend this training session?

List three things you learned during this training.

What did you enjoy most about the training?

What did you enjoy least about the training?

Because of what you learned during this training, what is one thing you will do to improve your ECCE program?

Please include any comments or ideas that you think would make this training more effective.

Are there any subjects that you would like to learn more about?
